**AL NOOR CENTRE AND RASHID SCHOOL FOR BOYS : 20 YEARS OF HAPPY ASSOCIATION!**

Al Noor Training Centre for Children with Special Needs and Rashid School for Boys celebrated 20 years of partnership and friendship. This event, held under the patronage of HH Sheikh Hamdan Bin Mohammed Al Maktoum, Crown Prince of Dubai, at Al Noor Centre's premises in Al Barsha, saw a conglomeration of former and current students from both institutions, eager to rekindle past friendship and renew ties with old acquaintances.

Wonderful performances were rendered by Al Noor as well as RSB students. A beautiful painting titled 'Mutual Expressions' was also featured at the event. The artwork was born out of the joint involvement of Sacha Jafri and the students of Al Noor and Rashid School for Boys and will be auctioned to raise funds for the Centre.
