

AL NOOR—SAMSUNG HOPE FOR CHILDREN FUN FAIR 2011

New activities were introduced this year to make the funfair more exciting. A motor bike parade, arranged by the Emirates Motor Sports Federation, started at Festival City amid a lot of fanfare. The motorcade reached Al Noor at 5:30pm and was greeted by excited onlookers and visitors to the fair. The funfair is held annually to raise the much needed funds to maintain the professionally run training programmes for the students. This year, the funfair was well attended with a footfall of more than 5,000. The centre raised approximately 400,000.00 this year. This was made possible through the support of the community.
