

We host Bake Sales at
offices, schools
and universities.

FRESH FROM THE OVEN

Bringing you a whole new range of cookies, muffins and croissants over to your premises. These goodies are baked by our students every day at our in-house Bakery Unit as part of their Vocational Training Programme. All funds raised through these sales will support the student's training programmes and running expenses of the Centre.

We comply to Food
Health and Safety
regulations of
Dubai Municipality

We also take
Corporate orders
for our baked items.
