Spring Edition

From us to you...

Dear Friends,

All the female supporters of the children of Al Noor once again turned up to ensure a full house at the annual Ladies Luncheon at the Hilton Jumeirah. The event was sold out well in advance!

The literacy picnics at the Centre are also gaining popularity with the students and parents. An activity periodically conducted, allows for a fun way to learn how to read, with having involvement of the parents.

Read on, about more happening at Al Noor this term!

We Are With You

His Highness Sheikh Rashid Bin Hamdan Bin Rashid Al Maktoum honoured Al Noor with a visit to its stand at the Al Maktoum Foundation's 'We are with You' event. This was an awareness event for all non-profit organisations under its support. He received a gift, made by the students of Al Noor, from Mr. Khalid Al Halyan, Al Noor's Chairman and Mohammad Al Redha, Al Noor Board Member.

The gifts can also be yours by viewing and purchasing from our online store www.smilesnstuff.ae or by coming down to our Centre in Al Barsha.

Thank you for your support

A big thank you to all the ladies who generously supported our **Ladies Luncheon** this year. For the 13th year the Hilton

Jumeirah hosted the event and enable us to raise much needed funds for the school. We are very grateful for the wonderful food and the elegant venue. And thank you too to all our entertainers and sponsors - we couldn't do it without you!

The Al Noor Samsung Hope for Children Family Fun Fair

took place on 26th February at the Centre. More than 5000 supported and enjoyed the fun of the fair - thanks to all of you.

Thanks also to our sponsors. Once again, Samsung is the title sponsor for the event, Emirates Leisure Retail set up and provided the food for the amazing food Court, with Al Maktoum Foundation and Byrne as support sponsors. Click link below to see full listing of sponsors and photos on facebook.

What kept the students busy

AL NOOR GARDEN PROJECT

In partnership with Ritz Carlton Dubai, we have been able to start a fantastic new project. They built an indoor garden at the Centre to give the children an opportunity to experience gardening. The flowers and vegetables they grow will be sold to the hotel, giving us a brilliant fundraising opportunity.

FOUR BLOCKS OF LITERACY-GUIDED READING

The Primary Unit's Four Blocks of Literacy Outdoor session was successfully conducted on 25th January 2016 in the Centre's quadrangle. 4 stations as per the block were set up, namely: Guided Reading, Writing, Self-Selected Reading and Working with Words. All classes in the Unit took turns in engaging in the planned activities for each block.

LET'S DANCE COMPETITION

Al Noor Training Centre takes great pleasure in inviting your students to participate in a Dance Competition for Children on the 25th April, 2016 at 10 am in the Al Noor Auditorium, Al Barsha, Dubai. Competition for individual and group categories are open from ages 8-18 years!
